If you use a Carlson Surveyor+ data collector you need to be running SurvCE Version 2.08 or higher to use Bluetooth Connections.

**After installing the update open SurvCE:**

- 1) tap the Equip tab
- 2) tap Total Station, GPS Base or GPS Rover
- 3) tap the Comms tab
- 4) Select Bluetooth for the Type
- 5) set the "Device" to "Windows Mobile"
- 6) At this point tap the Configure button off to the right and use the "Find Receiver" button to add your instrument to the list
- 7) If the instrument requires a Passkey you **MUST Use** the "Set Receiver Pin" button for the connection to work properly. {For Topcon GPT-3000 the passkey would be **1111**}

**Update your Carlson Surveyor+ to SurvCE Version 2.08 using the steps below:**

- 1) Download SurvCE for the Carlson Surveyor+ using the temporary link below:  
[http://update.carlsonsw.com/kbase\\_attach/644/SurvCE\\_208\\_Surveyor.exe](http://update.carlsonsw.com/kbase_attach/644/SurvCE_208_Surveyor.exe)
- 2) PLUG in the USB cable from your Data Collector to your Desktop or Laptop computer to get connected with ActiveSync.

*If you have Windows XP and need to install ActiveSync click the link below:*

- 3) On the Data Collector - Tap File & Exit to make sure you exit out of SurvCE before the Install if you are already running a previous version of SurvCE.
- 4) Double click the SurvCE file that you downloaded in Step 1. Click Run / Next / Click I Accept / Click Install / Click yes to Re-Install.
- 5) Let the status bar go across on the Desktop PC and Click OK when it prompts "Please Check your Mobile Device"
- 6) Tap OK on the data collector if it asks you to "Remove the Previous Version"
- 7) Tap "Install" in the bottom left to install SurvCE
- 8) Once the Status Bar finishes on the data collector it will say "Carlson Software was successfully installed" --- you can tap OK in the upper right
- 9) To verify that you are now on the latest version --- Open SurvCE / tap the Equip Tab / Tap About SurvCE: Check to see that the version and date on the top match what you downloaded {i.e. - Version 2.08} tap Close after you check your version.
- 10) This completes the upgrade / install of SurvCE
